### **Information from the Florida Department of State Division of Election regarding reports:**

Florida Statutes 106.07(1)(b) and 106.0703(1)(c) provide that any candidate, political committee or ECO not filing with the Division must file monthly reports, as well as “reports on the 60<sup>th</sup> day immediately preceding the primary election, and biweekly on each Friday thereafter through and including the 4<sup>th</sup> day immediately preceding the general election, with additional reports due on the 25<sup>th</sup> and 11<sup>th</sup> days before the primary and the general election.”

For municipal elections in which no municipal primary is held, the candidate, political committee or ECO is only required to file those reports that are capable of being filed (i.e., monthly reports and those reports due on the 25<sup>th</sup>, 11<sup>th</sup>, and 4<sup>th</sup> days preceding the municipal general election).

### **Information regarding reporting schedule:**

The municipal clerk is responsible for developing the reporting schedule and providing it to the municipal candidates. Refer to [Fla. Stat. 106.07](#) for information. Also, check your municipal charter and consult your municipal attorney to ensure no additional reports are required.
